

## Version 1 dated May 2023

This Target Market Determination (TMD) has been prepared in accordance with the Treasury Laws Amendment (Design and Distribution Obligations and Product Intervention Powers) Act 2019 and associated Regulations. TMDs are designed to assist issuers to ensure that financial products they issue are likely to be consistent with the likely objectives, financial situation and needs of the consumers for whom they are intended (the target market) and to assist distributors to ensure that financial products are distributed to the target market.

The TMD is general in nature and should not be construed as financial advice. Consumers should obtain independent advice prior to acquiring the product to ensure that it is appropriate for their particular objectives, financial situation and needs.
